

Namo Drone Didi Scheme — Central Sector Policy Guidelines

Ministry of Agriculture & Farmers Welfare | Government of India Initiative

1. Executive Summary & Objective

The Nam0 Drone Didi scheme aims to empower 15,000 women Self-Help Groups (SHGs) by providing agricultural drones for liquid fertilizer (Nano Urea) and pesticide spraying across rural India.

2. Financial Subsidy & Support Architecture

Beneficiary Category	Government Capital Subsidy	Max Financial Support
Women Self-Help Groups (SHGs)	80% of Drone Package Cost	Up to Rs. 8,00,000 per SHG
Custom Hiring Centers (CHCs)	40% - 50% Subsidy	Up to Rs. 5,00,000
Individual Farmers	40% Subsidy	Up to Rs. 4,00,000

3. Operational Training & RPTO Licensing

Selected women SHG members undergo a 15-day mandatory training program (5-day mandatory remote pilot training at DGCA-approved Remote Pilot Training Organizations + 10-day agricultural application module).
